

## **How to arrange a Funeral in Water Orton**

Contact the Funeral Director of your choice.

Tell them what type of Funeral you would like to arrange for your loved one.

What are the options?

1 service in Church followed by burial

2 service in Church followed by Cremation

3 complete service at the Crematorium

Whichever service you choose a Vicar will be pleased to conduct it for you.

The funeral director will contact the Vicar and arrange a suitable date and time for the service.

A Vicar will contact you as soon as the funeral is arranged and make an appointment to come and see you at home. S/he will be happy to meet with whichever people, family members or friends, as you wish.

When the Vicar visits s/he will plan the service with you, and discuss the life of the deceased.

Please note that we have some Licensed Readers who are also able to conduct Funeral Services. They may stand in for the Vicar if s/he is not available, or indeed you may request one of the Readers take the service.
